

THE MISSION

"My mission is to cultivate student-athletes who excel at the highest level of competition, while embracing a lifelong commitment to learning both on the field and in the classroom. I aim to nurture outstanding citizens, both on-campus and in the broader community, fostering personal growth through character development and leadership training. By fostering a sense of family within our team and extending that spirit to the community, we seek to instill individual confidence and drive towards collective success. These goals will be realized through unwavering dedication, sacrifice, hard work, and the wholehearted commitment of every player within our team."

Community Involvement (Volunteer)

Christ's Church of the Valley High School Youth Coach (2020 to present)

Designed to meet teens right where they are, CCV's High School Ministry provides an authentic environment where our teens can connect with their Creator in a real and powerful way. I have worked with the high school age group in coaching for many years and Christ has blessed me with a platform to mentor these young men in a Godly way. We meet every Sunday to worship and get into God's word, continuing the journey to become closer to Christ in all areas of our lives.

Additional Information:

- Married 3 Years to Graziana
- USSF National License & Physio Performance Specialized Certifications
- Arizona Christian University Graduate 2020
