

Subject: Interest in State University Men's Soccer

Dear Coach Pep Guardiola,

I hope this message finds you well. My name is John Smith, and I am a 2025 graduate from Sandra O'Connor High School in Arizona. I am currently a forward for O'Connor Varsity team, and I am excited about the possibility of attending State University, drawn by both its academic excellence and its strong men's soccer program.

On the field, I have been the leading goal scorer for my team for the past two seasons and have played varsity soccer for two years at my high school, earning a spot on the all-conference team this past season. I plan to pursue a degree in business, and I am particularly impressed by State University's renowned undergraduate business program. With a 4.0 GPA, I am committed to taking a rigorous course load of honors and AP classes. Additionally, I appreciate that State University is located in a vibrant city, as I'm eager to experience college life in an urban setting.

I wanted to let you know that my O'Connor Varsity team will be competing in the North Texas Elite Showcase from Jan 2-6 in Dallas, Texas. I noticed you are attending, and I would love the opportunity for you to see me play. Below is my schedule for the tournament:

- January 2, 4 p.m. – O'Connor vs. Marcus FC, Field #10
- January 3, 2 p.m. – O'Connor vs. Allen FC, Field #11
- January 4, 4 p.m. – O'Connor vs. Houston FC, Field #8

You can find my complete schedule here: <https://www.marcusfc.com/general-4> . My coach, George Archuleta, can be reached at george.archuleta@dvusd.org or 480-433-9600 for any further information.
